Sensory Catalog

Product	Sensory Description	Pricing Group
Classic Vanilla	Follows the sensory profile of natural vanillin, while masking other major aroma molecules and bringing out the natural sweetness of vanilla.	1
Smoky Vanilla	A smoky vanilla that brings the scent of natural wood and resin to life, with a charred yet sweet undertone.	1
Brown Notes	The essence of vanilla rounded out with the robustness of deep, chocolatey scents and nuts roasted on an open flame.	1
Caramel Notes	Roasted sugars and smoky caramels typify this sensory profile, bringing to mind freshly-baked pastries taken out of the oven.	2
Sweet	You may choose your preferred sweetness intensity: mild /strong. This profile enhances the natural sweetness of vanilla. Highlights honey notes.	2

**Secure your chosen sensory profile by placing an order by June 15th.
Late orders will be supplied according to available inventory.**
